The mad chemicalist
A doctor but of the evil kind!
If I were to choose between those two, I'd say that he's more like a pharmacologist

Does your cold hurt?
Nii-tan?
A dream?!!
!!!???!?♡!!?♡???

Nii-tan, what's wrong.?!!
n-nothing it's just that
I think I had a dream similar to a theatre's play with all the events I've experienced until now
also, I made a mistake with a word in english, and called him a "chemicalist".
And, I think I saw something about a sequel But I'm Glad it was just a dream
sigh
A sequel?
There's no way they're doing it
They aren't ?
